“Empowering our Youth Today for Tomorrow’s Quality Workforce”

“The Summer Youth Work Experience Program is a win/win for youth and employers. The experience provides a training ground for youth that can be used for future employment.” Mike Hermann, Hartford Parks and Recreation

“BUYSEASONS thoroughly benefitted by giving youth that reside in our community an opportunity to earn money and learn a skill that will make them more marketable. The experience was a positive one for all involved. We would recommend this opportunity to other companies.”
