Manufacturing Informational Session for the Job Seeker

Dispel Some Myths of Manufacturing

Tuesday, February 28th 2012 from 8:30-9:30am

**** FREE SESSION ****

- *Are you thinking about a career in manufacturing?*
- *Do you believe all manufacturing careers are loud and in a dirty environment?*
- *Is advancement a part of your career goals?*

Join us to hear how you can be a part of the vast growing opportunities in manufacturing and how we can help you benefit in this industry's growth.

Three key speakers from an automated facility, a typical manufacturing floor, and a women's perspective will help to dismiss any myths and openly discuss topics such as:

- * daily operations
- * salary earnings
- * safety practices
- * growth potential
- * career advancement
- * policies
- * job stability
- * best practices

In addition, representatives from Moraine Park Technical College will present on their training, outreach programs and their experience with the CNC/Tool & Die area.

February 28th, 8:30-9:30 am

MPTC Auditorium
